2000 SERIES

PARTS WASHER | A Closer Look at the Features:

Heavy Duty 10 Gauge Steel
Built heavy duty to take handle your toughest demands.

Stainless Steel Door Cover
Maintenance free safety air shield & looks great.

Seal-less EZ-Load Door
Save by never having to replace seals.

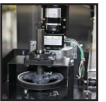

0° Wash Jets
Flushable & durable for fast cleaning. No need to ever replace spray tips.

Large Removable Basket
Easily load & organize parts, preventing your exposure to harmful steam.

Belt Driven Turntable
Parts are on the outside of the cabinet to prevent grime & wear. Lifetime ball bearing warranty.

Lift Handle
Strong pick point to move your parts washer.

Optional Fresh Water Fill Tank
Maintains correct water level & protects the unit from damage with low water shutoff.

Vent Fan
Eliminates steam when evaporating water.

Heavy Duty Submersible Pump
Durable for long life & dependability.

Oil Skimming Unit
Increases the life of water & detergent.

Evaporation Unit
Eliminate 97% of waste water to reduce environmental liability & waste removal cost.
(On All E Models)

Optional Why Worry Package
Allows you to set it & do other things, saving you time & money.

Timer Control
Perfectly time your cleaning cycle to avoid waste.

Panel Mounted Controls
Handy & accessible for your ease of use.

Pilot Indicator Light
Diagnostics at a glance during evaporation mode.
